Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA actions related to the site.

Here is the link to the EPA UIC program website that contains all the information in the Administrative Record, in case you do not already have it:

<https://www.epa.gov/uic/administrative-record-dewey-burdock-class-iii-and-class-v-injection-well-draft-area-permits>

The public comment period is in effect through May 19, 2017, in case you have any additional comments after reviewing this information.

Thank you!

*Valois*

**Subject:** Comment: uranium mining permit in SD

Good evening:

I am writing to oppose the proposal to allow infection of waste products from uranium mining near underground aquifers in South Dakota.

This proposal is dangerous and threatens clean drinking water for a large number of people. The benefit from the proposal is negligible.

Thank you,
